List of Certificate/ Add-on Programs

Academic Year: 2020-21

S.No	Name of the Program	Duration of course	No. of Participants
1	A Two Weeks Program on Statistics with R	02-11-2020 to 14-11-2020	142
2	A Two Weeks Program on Professional Training in STAAD Pro and ARC GIS	01-10-2020 to 15-10-2020	116
3	A Two Weeks Program on C Programming	30-11-2020 to 12-12-2020	127
4	A Two Weeks Program on Design and Analysis of Antennas using ANSYS HFSS	17-08-2020 to 29-08-2020	120
5	A Two Weeks Program on CNC Training	01-03-2021 to 13-03-2021	169
6	A Two Weeks Program on Sustainable Agricultural Land Management	05-10-2020 to 17-10-2020	169
7	A Two Weeks Program on Block Chain Technology	23.11.2020 to 15.12.2020	46
8	A Two Weeks Program on Linux Internals & System Programming	04.01.2021 to 21.01.2021	24
9	A Two Weeks Program on Arduino Coding Using Tinkercad	02.11.2020 to 14.11.2020	38
10	A Two Weeks Program on Recent Development in Concrete	17.03.2020 to 29.08.2020	16
11	A Two Weeks Program on Advancement of Computational Fluid Dynamics	05.10.2020 to 17.10.2020	85

About the Institute

Kakinada Institute of Technology and Science was established in 2008 at Tirupathi Village, Divili, East Godavari District under the aegis of "Srinivasa Educational Society" Rajahmundry. It is popularly known with its acronym KITS, Divili. The Tirupathi Village is having 1500 yrs Old Temple "Lord Venkateswara" which a famous one. K.I.T.S is located at Divili on the Samalkota to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes M.Tech (Structural Engg), M.Tech (Thermal Engg), M. Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded Systems&VLSI Design), MBA, M.Pharm. The institute is also offers Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

The Department of Computer Science & Engineering was established in the year 2008.. It has qualified and experienced faculties to impart quality education and enhance the knowledge of student community. The Department has good laboratory facilities and aims at maintaining a high standard of educational excellence. Our students have received acclaim in various competitions conducted by leading Institutions and Universities across India and recently participated in HACKATHON contest conducted by Govt. of India.

Topics covered

- Data Types
- Data Structures
- Basics of Programming
- R Resources
- Probability and Statistics with R

PROGRAM REPORT

- Name of the Program** : Two Weeks Certificate Program on “Statistics with R”
- Date / Duration** : 02.11.2020 to 14.11.2020 (72 Hours)
- Resource Person** :Mr. P. Sasi Kumar, Associate Prof., GIET Engineering College
- Name of Coordinator** :Mr. K. Kalyani , CSE Department, KITS, Divili
- Number of Participants:**142
- Program Objectives** :The objectives of this program are
- To provide students practice applying statistical analysis concepts in the R environment.
 - The students can use descriptive and inferential statistics to analyse data for the goal of exploration.
- Topics Covered** :The following topics were discussed in this certificate program
- Data Types
 - Data Structures
 - Basics of Programming
 - R Resources
 - Probability and Statistics with R
- Program Outcome** : The workshop is intended to facilitate the students to acquire Knowledge and information on key terms, ideas, and methods used in statistical analysis and relationships between various variables, one must comprehend, analyze, and interpret correlation and regression. This program will help the students to into the Modern Technologies.

STAAD PRO AND ARC GIS"

Dates:

01.10.2020 to 15.10.2020

Organized by:
Department of CE

Venue:

Seminar Hall-1
Kakinada Institute of Technology and Science
Tirupathi (V), Divili, Peddapuram (M),
East Godavari (d), Samarlakota,
Andhra Pradesh-533433
INDIA

About the Institute

Kakinada Institute of Technology and Science was established in 2008 at Tirupathi Village, Divili, East Godavari District under the aegis of "Srinivasa Educational Society" Rajahmundry. It is popularly known with its acronym KITS, Divili. The Tirupathi Village is having 1500 yrs Old Temple "Lord Venkateswara" which a famous one. K.I.T.S is located at Divili on the Samalkota to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes M.Tech (Structural Engg), M.Tech (Thermal Engg), M.Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded Systems&VLSI Design), MBA, M.Pharm. The institute is also offers Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

The Department of CIVIL ENGINEERING is offering an undergraduate course (B.Tech) in CIVIL ENGINEERING and one post graduate course (M.Tech) in STRUCTURAL ENGINEERING. The B.Tech program was started in 2008 with an intake of 60.. The CIVIL department has more than 20 qualified and experienced faculty members. The Department has organized several symposiums; guest lectures and Workshops . The Department faculty are conducting their research work in STRUCTURAL DYNAMICS, ADVANCED CONCRETE TECHNOLOGY and ENVIRONMENTAL areas. They are encouraged to attend international and National conferences and to present their research work. They usually publish their research work in reputed International and National journals. The department is also encouraging all the faculty members and students towards professional body memberships and activities. Our students are encouraged in R&D activities and they are used to publish their work in reputed journals and conferences. The Department also conducts special classes for competitive exams like GATE, GRE, and TOEFL. Some of the students are pursuing PG Programmes in prestigious Institutions like Universities, NIT'S, and IIT'Sa

Organising Secretary:

Ms. P.Deepika rani
DEPT OF CE

Topics covered

- Starting a project
- Property, Material and support definition
- Uniform Force and Moment
- Trapezoidal and Wind load
- Load Combination
- Frame and Truss Analysis

KAKINADA INSTITUTE OF TECHNOLOGY AND SCIENCE
DIVILI, TIRUPATHI (VI), PEDDAPURAM (MANDAL)
(Approved by AICTE, New Delhi & Affiliated to JNT University, Kakinada)
(Accredited by NAAC with B+ grade)

Date: 17.10.2020

PROGRAM REPORT

Name of the Program : Two Weeks Certificate Program on “Professional Training in
STAAD Pro and ARC GIS”

Date / Duration : 01.10.2020 to 15.10.2020 (72 Hours)

Resource Person :Dr. V. Swami Nath, Prof., Aditya Engg College, Surampalem

Name of Coordinator :Ms. P.Deepika rani, CE Department, KITS, Divili

Number of Participants:116

Program Objectives :The objectives of this program are

- Students will learn structural modelling, designing, and analysis as well as integrated design and finite element analysis in this course. The students' familiarity with the analysis and design of many types of structures will be enhanced by this course.

Topics Covered :The following topics were discussed in this certificate program

- Starting a project
- Property, Material and support definition
- Uniform Force and Moment
- Trapezoidal and Wind load
- Load Combination
- Frame and Truss Analysis

Program Outcome : The workshop is intended to facilitate the students to acquire Knowledge and information on how to conduct an analysis of various structure types for various combinations of loading situations in accordance with statutory provisions. This program will help the students to into the Modern Technologies.

CIRCULAR

All II/IV and III/IV ECE Students are here by informed that Department of Electronics and Communications Engineering is conducting a Two Weeks Certificate Program on “**Design and Analysis of Antennas using ANSYS HFSS**” Ms. L. Jhansi Lakshmi, Asst Prof, VIGNAN Womens College, is the Resource person. The program will be held from 17.08.2020 to 29.08.2020. All the interested students are instructed to register their names in the Department office on or before 07.08.2020. All the registered students must attend the certificate program without fail on the above mentioned dates.

Venue: Seminar Hall-2, 3rd floor

Week/Day-Wise Schedule

Name of the Program: “Design and Analysis of Antennas using ANSYS HFSS”

S.NO	DAY	DATE	TOPICS COVERED
1	Monday	17.08.2020	• Fundamental parameters of the antenna
2	Tuesday	18.08.2020	• Overview of HFSS to measure different antenna parameters.
3	Wednesday	19.08.2020	• Half-wave dipole antenna design.
4	Thursday	20.08.2020	• A quarter-wave monopole antenna design.
5	Friday	21.08.2020	• Near field radiation setups
6	Saturday	22.08.2020	• Overlaying field plots on antenna design geometry
7	Monday	24.08.2020	• Circulation polarization
8	Tuesday	25.08.2020	• HFSS derivative optimization of SYZ parameters using optiSLang
9	Wednesday	26.08.2020	• HFSS IE (integral equation) formulation and Hybrid Region
10	Thursday	27.08.2020	• HFSS Antenna Toolkit
11	Friday	28.08.2020	• Design and simulation of rectangular microstrip patch antenna
12	Saturday	29.08.2020	• Dual-band rectangular patch antenna

(Ms. L. Jhansi Lakshmi)
Resource Person

(Mr. M. Satti Babu)
HoD

Objective of the Programme:-

- To educate people about the fundamentals of electromagnetics and how they apply to the design of antennas and microwave devices
- To better understand how an antenna or microwave device operates, students can design and validate the results using the Ansys HFSS tool before moving on to hardware development. work, rather than practically

About the Institute

Kakinada Institute of Technology and Science was established in 2008 at Tirupathi Village, Divili, East Godavari District under the aegis of "Srinivasa Educational Society" Rajahmundry. It is popularly known with its acronym KITS, Divili. The Tirupathi Village is having 1500 yrs Old Temple "Lord Venkateswara" which a famous one. K.I.T.S is located at Divili on the Samalkota to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes M.Tech (Structural Engg), M.Tech (Thermal Engg), M. Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded Systems&VLSI Design), MBA, M.Pharm. The institute is also offers Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

The Department Electronics and communications engineering deals with the transmission of information across a medium such as a co-axial cable, an optical fiber or free space. Transmissions across free space require information to be encoded in a carrier wave in order to be transmitted, this is known as modulation. Popular analog modulation techniques include amplitude modulation and frequency modulation.

Once the transmission characteristics of a system are determined, telecommunication engineers design the transmitters and receivers needed for such systems. These two are sometimes combined to form a two-way communication device known as a transceiver. A key consideration in the design of transmitters is their power consumption as this is closely related to their signal strength. If the signal strength of a transmitter is insufficient the signal's information will be corrupted by noise.

Organising Secretary:

Mr. K.Raghu
DEPT OF ECE

Topics covered

- Fundamental parameters of the antenna
- Overview of HFSS to measure different antenna parameters.
- Half-wave dipole antenna design.
- A quarter-wave monopole antenna design.
- Design and simulation of rectangular microstrip patch antenna
- Dual-band rectangular patch antenna

KAKINADA INSTITUTE OF TECHNOLOGY AND SCIENCE

DIVILI, TIRUPATHI (VI), PEDDAPURAM (MANDAL)

Date: 31.08.2020

PROGRAM REPORT

Name of the Program : Two Weeks Certificate Program on “Design and Analysis of Antennas using ANSYS HFSS”

Date / Duration : 17.08.2020 to 29.08.2020 (72 Hours)

Resource Person : Ms. L. Jhansi Lakshmi, Asst Prof, VIGNAN Womens College

Name of Coordinator : Mr. K.Raghu, ECE Department, KITS, Divili

Number of Participants: 120

Program Objectives : The objectives of this program are

- To educate people about the fundamentals of electromagnetics and how they apply to the design of antennas and microwave devices
- To better understand how an antenna or microwave device operates, students can design and validate the results using the Ansys HFSS tool before moving on to hardware development. work, rather than practically

Topics Covered : The following topics were discussed in this certificate program

- Fundamental parameters of the antenna
- Overview of HFSS to measure different antenna parameters.
- Half-wave dipole antenna design.
- A quarter-wave monopole antenna design.
- Design and simulation of rectangular microstrip patch antenna
- Dual-band rectangular patch antenna

Program Outcome : The workshop is intended to facilitate the students to acquire Knowledge and information on antenna functions, fundamentally and usage different feeding method. This program will help the students to into the Modern Technologies.

CIRCULAR

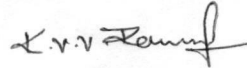

All II/IV and III/IV ME Students are here by informed that Department of Mechanical Engineering is conducting a Two Weeks Certificate Program on “CNC TRAINING” Dr. Y. Subburao, Professor, KITS Engg College, Divili, is the Resource person. The program will be held from 01.03.2021 to 13.03.2021. All the interested students are instructed to register their names in the Department office on or before 25.02.2021

All the registered students must attend the certificate program without fail on the above mentioned dates.

Venue: Seminar Hall-2, 3rd floor

About the Institute

Kakinada Institute of Technology and Science was established in 2008 at Tirupathi Village, Divili, East Godavari District under the aegis of "Srinivasa Educational Society" Rajahmundry. It is popularly known with its acronym KITS, Divili. The Tirupathi Village is having 1500 yrs Old Temple "Lord Venkateswara" which a famous one. K.I.T.S is located at Divili on the Samalkota to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes M.Tech (Structural Engg), M.Tech (Thermal Engg), M. Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded Systems&VLSI Design), MBA, M.Pharm. The institute is also offers Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

Managing moving machines of the world! It is this catchy phrase that has made Mechanical Engineering the thriving branch for being an integral part in shaping our world run on machines. The Mechanical Engineering department at Kakinada institute of technology and science has earned a place of high repute through its quality teaching rendered by highly qualified and experienced faculty with umpteen number of research publications in reputed journals like ASME, ELSEVIER etc. and rigorous practical training creating an ambience of excitement in all the stages of study. The department lays impetus on hands-on training with the support of simulation packages such as CATIA, ANSYS, I-DEAS, PRO-E, UNIGRAPHICS and SOLID WORKS.

Organising Secretary:

Ms. N. C. Mitra
DEPT OF ME

Topics covered

- Manual CNC Part Programming Using Standard G and M Codes
- Machining simple components
- Software and Hardware CAM

PROGRAM REPORT

Name of the Program : Two Weeks Certificate Program on “CNC TRAINING”

Date / Duration : 01.03.2021 to 13.03.2021 (72 Hours)

Resource Person :Dr. Y. Subburao, Professor, KITS Engg College, Divili

Name of Coordinator :Ms. N. C. Mitra, ME Department, KITS, Divili

Number of Participants:169

Program Objectives :The objectives of this program are

- to understand how various CNC machines are used
- for transferring knowledge of CNC component programming for turning and milling applications
- for giving CAM software a solid introduction in order to do simulation and provide CL data

Topics Covered :The following topics were discussed in this certificate program

- Manual CNC Part Programming Using Standard G and M Codes
- Machining simple components
- Software and Hardware CAM

Program Outcome : The workshop is intended to facilitate the students to acquire Knowledge and information on CNC programming, related software and Hardwares. This program will help the students to into the Modern Technologies.

About the Institute

Kakinada Institute of Technology and Science was established in 2008 at Tirupathi Village, Divili, East Godavari District under the aegis of "Srinivasa Educational Society" Rajahmundry. It is popularly known with its acronym KITS, Divili. The Tirupathi Village is having 1500 yrs Old Temple "Lord Venkateswara" which a famous one. K.I.T.S is located at Divili on the Samalkota to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes M.Tech (Structural Engg), M.Tech (Thermal Engg), M. Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded Systems&VLSI Design), MBA, M.Pharm. The institute is also offers Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

The Department of Agriculture Engineering was established in 2013 and is offering B.TECH course in Agriculture Engineering. The department has qualified and experienced staff and well-equipped laboratories with the state-of-the-art facilities. The UG B. TECH Programme of the department got accredited for three years in 2012, 2016, and in 2019, 2022. The department was recognized as Research Centre by JNTUK, Kakinada. Students of the department have added value to the department by getting placed in reputed core and Agriculture companies and by excelling in competitive examinations.

Organising Secretary:

Mr. B.Sasi
DEPT OF AGR

Topics covered

- Introduction to Sustainable Land Management
- land restoration: basic principles
- Planning implementation of SLM interventions
- Tools of implementation of sustainable land management
- Incentives for transition to SLM
- Monitoring SLM success

Date: 20.11.2020

PROGRAM REPORT

Name of the Program : Two Weeks Certificate Program on “Sustainable Agricultural Land Management”

Date / Duration : 05.11.2020 to 17.11.2020 (72 Hours)

Resource Person :Dr. D. Ravindra Babu, Associate Prof., PYDAH College of Engineering, Kakinada

Name of Coordinator :Mr. B.Sasi, AGR Department, KITS, Divili

Number of Participants:169

Program Objectives :The objectives of this program are

- To learn the basic definitions and principles of land management, degradation and restoration
- Creating an enabling environment through the use of both financial and non-financial incentives

Topics Covered :The following topics were discussed in this certificate program

- Introduction to Sustainable Land Management
- land restoration: basic principles
- Planning implementation of SLM interventions
- Tools of implementation of sustainable land management
- Incentives for transition to SLM
- Monitoring SLM success

Program Outcome : The workshop is intended to facilitate the students to acquire Knowledge and information on land management, degradation and restoration. This program will help the students to into the Modern Technologies.

About the Institute

Kakinada Institute of Technology and Science was established in 2008 at Tirupathi Village, Divili, East Godavari District under the aegis of "Srinivasa Educational Society" Rajahmundry. It is popularly known with its acronym KITS, Divili. The Tirupathi Village is having 1500 yrs Old Temple "Lord Venkateswara" which is famous one. K.I.T.S is located at Divili on the Samalkota to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes M.Tech (Structural Engg), M.Tech (Thermal Engg), M.Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded Systems&VLSI Design), MBA, M.Pharm. The Institute is also offers Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

The Department of Computer Science & Engineering was established in the year 2008.. It has qualified and experienced faculties to impart quality education and enhance the knowledge of student community. The Department has good laboratory facilities and aims at maintaining a high standard of educational excellence. Our students have received acclaim in various competitions conducted by leading Institutions and Universities across India and recently participated in HACKATHON contest conducted by Govt. of India.

Date: 09.12.2020

PROGRAM REPORT

Name of the Program : Two Weeks Certificate Program on “**Block Chain Technology**”

Date / Duration : 23.11.2020 to 05.12.2020 (72 Hours)

Resource Person : Ms. S. Ramya, Asst. Professor, KITS, Divili. Ms. Ph No:9912543584

Name of Coordinator : Ms. Y. Anjali Satyavathi, Asst. Professor, KITS, Divili

Number of Participants: 46

Program Objectives : The objectives of this program are

- To evaluate blockchain applications in a structured way
- To impart knowledge of block chain methods and being able to deliver
- To familiarize oneself with upcoming currencies and to develop one's own crypto token.

Topics Covered : The following topics were discussed in this certificate program

- Introduction to block chain Technology
- Block chain network
- Life Cycle of Block chain
- Block chain applications

Program Outcome : The workshop is intended to facilitate the students to acquire Knowledge and information on structured analysis, block chain technology principles and cryptocurrency to be handled. This program will help the students to into the Modern Technologies.

About the Institute

Kakinada Institute of Technology and Science was established in 2008 at Tirupathi Village, Divili, East Godavari District under the aegis of "Srinivasa Educational Society" Rajahmundry. It is popularly known with its acronym KITS, Divili. The Tirupathi Village is having 1500 yrs Old Temple "Lord Venkateswara" which is famous one. K.I.T.S is located at Divili on the Samalkota to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes M.Tech (Structural Engg), M.Tech (Thermal Engg), M.Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded Systems&VLSI Design), MBA, M.Pharm. The Institute is also offers Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

The Department Electronics and communications engineering deals with the transmission of information across a medium such as a co-axial cable, an optical fiber or free space. Transmissions across free space require information to be encoded in a carrier wave in order to be transmitted, this is known as modulation. Popular analog modulation techniques include amplitude modulation and frequency modulation.

Once the transmission characteristics of a system are determined, telecommunication engineers design the transmitters and receivers needed for such systems. These two are sometimes combined to form a two-way communication device known as a transceiver. A key consideration in the design of transmitters is their power consumption as this is closely related to their signal strength. If the signal strength of a transmitter is insufficient the signal's information will be corrupted by noise.

About the Institute

Kakinada Institute of Technology and Science was established in 2008 at Tirupathi Village, Divili, East Godavari District under the aegis of "Srinivasa Educational Society" Rajahmundry. It is popularly known with its acronym KITS, Divili. The Tirupathi Village is having 1500 yrs Old Temple "Lord Venkateswara" which is a famous one. K.I.T.S is located at Divili on the Samalkota to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes (M.Tech Structural Engg), M.Tech (Thermal Engg), M.Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded Systems&VLSI Design), MBA, M.Pharm. The Institute is also offering Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

The Department of Electrical and Electronics Engineering is offering an undergraduate course (B.Tech) in Electrical and Electronics Engineering and one post graduate course (M.Tech) in Power Electronics. The B.Tech program was started in 2008 with an intake of 60 later was enhanced to 120 in 2010. The M.Tech program in Power Electronics has started in 2012 with an intake of 18 students. The EEE department has more than 20 qualified and experienced faculty members. The Department has organized several symposiums, guest lectures and Workshops. The Department faculty are conducting their research work in Power Systems, Power Electronics, Electrical machines areas. They are encouraged to attend international and National conferences and to present their research work. They usually publish their research work in reputed International and National journals. The department is also encouraging all the faculty members and students towards professional body memberships and activities. The EEE Department promotes the student activities through its IEEE, and IETE student branches apart from regular academics. Our students are encouraged in R&D activities and they are used to publish their work in reputed journals and conferences. The Department also conducts special classes for competitive exams like GATE, GRE, TOEFL. Some of the students are pursuing PG Programmes in prestigious Institutions like Universities, NIT'S, IIT'S

About the Institute

Kakinada Institute of Technology and Science was established in 2008 at Tirupathi Village, Divili, East Godavari District under the aegis of 'Srinivasa Educational Society' Rajahmundry. It is popularly known with its acronym KITS, Divili. The Tirupathi Village is having 1500 yrs Old Temple "Lord Venkateswara" which is famous one. K.I.T.S is located at Divili on the Samalkota to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes M.Tech (Structural Engg), M.Tech (Thermal Engg), M.Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded Systems&VLSI Design), MBA, M.Pharm. The Institute is also offers Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

The Department of CIVIL ENGINEERING is offering an undergraduate course (B.Tech) in CIVIL ENGINEERING and one post graduate course (M.Tech) in STRUCTURAL ENGINEERING. The B.Tech program was started in 2008 with an intake of 60.. The CIVIL department has more than 20 qualified and experienced faculty members. The Department has organized several symposiums; guest lectures and Workshops . The Department faculty are conducting their research work in STRUCTURAL DYNAMICS, ADVANCED CONCRETE TECHNOLOGY and ENVIRONMENTAL areas. They are encouraged to attend international and National conferences and to present their research work. They usually publish their research work in reputed International and National journals. The department is also encouraging all the faculty members and students towards professional body memberships and activities. Our students are encouraged in R&D activities and they are used to publish their work in reputed journals and conferences. The Department also conducts special classes for competitive exams like GATE, GRE, and TOEFL. Some of the students are pursuing PG Programmes in prestigious Institutions like Universities, NIT'S, and IIT'Sa

PROGRAM REPORT

Name of the Program : Two Weeks Certificate Program on “RECENT DEVELOPMENT
IN CONCRETE”

Date / Duration : 17.08.2020 to 29.08.2020 (72 Hours)

Resource Person : Mr. K.V.V. Ramaraju, Asst. Professor, CE Department, KITS, Divili.
Ph No:9676287290

Name of Coordinator : Ms. P. Deepika Rani, Asst. Professor, CE Department, KITS,
Divili

Number of Participants: 16

Program Objectives : The objectives of this program are

- focus on teaching students the fundamental principles of concrete technology, construction, and testing
- Covers topics such as concrete mix design, formwork design, and construction techniques, including the use of precast concrete and high-performance concrete.

Topics Covered : The following topics were discussed in this certificate program

- Sustainable Concrete Construction
- Decorative Concrete
- High Performance Concrete
- Concrete Repair and Restoration
- Concrete safety and Health, etc.

Program Outcome : The workshop is intended to facilitate the students to acquire Knowledge and information on advances in the industry, changes in construction practices, and increasing emphasis on sustainability and safety. This program will help the students to into the Modern Technologies.

HoD

Objective of the Programme:-

To apply CFD methods to solve practical engineering problems in areas such as aerospace, automotive, and environmental engineering

Understanding of the limitations and assumptions of CFD methods, and how to account for these in practical applications

Developing a fundamental understanding of fluid mechanics, including the Navier-Stokes equations and their discretization using numerical methods.

About the Department

Managing moving machines of the world! It is this catchy phrase that has made Mechanical Engineering the thriving branch for being an integral part in shaping our world run on machines. The Mechanical Engineering department at Kakinada institute of technology and science has earned a place of high repute through its quality teaching rendered by highly qualified and experienced faculty with umpteen number of research publications in reputed journals like ASME, ELSEVIER etc. and rigorous practical training creating an ambience of excitement in all the stages of study. The department lays impetus on hands-on training with the support of simulation packages such as CATIA, ANSYS, I-DEAS, PRO-E, UNIGRAPHICS and SOLID WORKS.
