ABOUT THE INSTITUTE

Kakinada Institute of Technology and Science was established in 2008 at Tirupathi Village, Divili, East Godavari District under the aegis of "Srinivasa Educational Society" Rajahmundry. It is popularly known with its acronym KITS, Divili. The Tirupathi Village is having 1500 yrs Old Temple "Lord Venkateswara" which a famous one. K.I.T.S is located at Divili on the Samalkota to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes M.Tech (Structural Engg), M.Tech (Thermal Engg), M. Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded Systems&VLSI Design), MBA, M.Pharm. The institute is also offers Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

The Department of Computer Science & Engineering was established in the year 2008.. It has qualified and experienced faculties to impart quality education and enhance the knowledge of student community. The Department has good laboratory facilities and aims at maintaining a high standard of educational excellence. Our students have received acclaim in various competitions conducted by leading Institutions and Universities across India and recently participated in HACKATHON contest conducted by Govt. of India.

PROGRAM REPORT

Name of the Program :Two Weeks Certificate Program on “Object-Oriented Programming using the Java programming language”

Date / Duration :15.10.2018 to 27.10.2018 (72 Hours)

Resource Person :Mr. P. Sasi Kumar, Associate Prof., GIET Engineering College

Name of Coordinator:Mr. A P V Raghavendra, CSE Department, KITS,Divili

Number of Participants:121

Program Objectives :The objectives of this program are

- To impart knowledge on Java standards and declaration rules
- To impart knowledge on using Java to realise object-oriented concepts
- To impart knowledge on handling strings, dates, and exceptions

Topics Covered :The following topics were discussed in this certificate program

- Introduction to Object Orient Programming
- Declaration Class and Members
- File Navigation
- Encapsulation, Inheritance, Polymorphism, Overriding and Overloading

Program Outcome :The workshop is intended to facilitate the students to acquire Knowledge and information on standards and declaration requirements when building Java programs, create straightforward Java Object-Oriented programs. This program will help the students to into the Modern Technologies.

about the Institute

K. J. Somaiya Institute of Technology and Science established in 2008 at Tirupathi Village, Tirupathi, East Godavari District under the aegis of "K. J. Somaiya Educational Society" Rajahmundry. It is popularly known with its acronym KITS, Tirupathi. The Tirupathi Village is having 1500 yrs old Temple "Lord Venkateswara" which is a famous one. K.I.T.S is located at Divili on the road from Malkajgiri to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes M.Tech (Structural Engg), M.Tech (Thermal Engg), M.Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded Systems&VLSI Design), MBA, M.Pharm. The Institute is also offers Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

The Department of Electrical and Electronics Engineering is offering an undergraduate course (B.Tech) in Electrical and Electronics Engineering and one post graduate course (M.Tech) in Power Electronics. The B.Tech program was started in 2008 with an intake of 60 later was enhanced to 120 in 2010. The M.Tech program in Power Electronics has started in 2012 with an intake of 18 students. The EEE department has more than 20 qualified and experienced faculty members. The Department has organized several symposiums, guest lectures and Workshops. The Department faculty are conducting their research work in Power Systems, Power Electronics, Electrical machines areas. They are encouraged to attend international and National conferences and to present their research work. They usually publish their research work in reputed International and National journals. The department is also encouraging all the faculty members and students towards professional body memberships and activities. The EEE Department promotes the student activities through its IEEE, and IETE student branches apart from regular academics. Our students are encouraged in R&D activities and they are used to publish their work in reputed journals and conferences. The Department also conducts special classes for competitive exams like GATE, GRE, TOEFL. Some of the students are pursuing PG Programmes in prestigious Institutions like Universities, NIT'S, IIT'S

Organising Secretary:

Mr. A. Ramesh
DEPT OF EEE

Topics covered

- PC Assembling & Troubleshooting
- Memory (Type, Memory Mod Development of RAM
- Computer Networks & Security
- WINDOWS 2003 Server Administration
- LINUX & Date Base Administration

**KAKINADA INSTITUTE OF TECHNOLOGY AND SCIENCE
DIVILI, TIRUPATHI (VI), PEDDAPURAM (MANDAL)**

(Approved by AICTE, New Delhi & Affiliated to JNT University, Kakinada)
(Accredited by NAAC with B+ grade)

Date: 10.07.2018

PROGRAM REPORT

Name of the Program:Two Weeks Certificate Program on “Computer hardware & networking”

Date / Duration :25.06.2018 to 07.07.2018 (72 Hours)

Resource Person :Mr. P. V. V. Ramana, Assistant professor, CIST Kakinada

Name of Coordinator:Mr. A.Ramesh , EEE Department, KITS,Divili

Number of Participants:119

Program Objectives :The objectives of this program are

- To understand the fundamental principles and layout of computer hardware and networking components. Determine the current setup of the computers and peripherals. upgrading as and when necessary.

Topics Covered :The following topics were discussed in this certificate program

- PC Assembling & Troubleshooting
- Memory (Type, Memory Modules, Development of RAM
- Computer Networks & Security
- WINDOWS 2003 Server Administration
- LINUX & Date Base Administration

Program Outcome :The workshop is intended to facilitate the students to acquire Knowledge and information on basics of processors, Computer Networks & Security. This program will help the students to into the Modern Technologies.

Week/Day-Wise Schedule

Name of the Program: "Repair and Maintenance of Agricultural Machinery"

S.NO	DAY	DATE	TOPICS COVERED
1	Monday	05.03.2018	• List different types of machineries and equipment for servicing and repair of farm machinery
2	Tuesday	06.03.2018	• List of tools and equipment required for workshop
3	Wednesday	07.03.2018	• Select mode of purchase of tools and equipment by cash or loan
4	Thursday	08.03.2018	• Procedure for repairing, overhauling and servicing of machinery
5	Friday	09.03.2018	• Importance and procedure for regular maintenance of engines and cooling systems
6	Saturday	10.03.2018	• Steps of troubleshooting equipment during repairs
7	Monday	12.03.2018	• Selection, Operation, Safety and Maintenance of Improved Agricultural Machinery
8	Tuesday	13.03.2018	• Selection, Operation and Maintenance of improved harvesting and threshing machines
9	Wednesday	14.03.2018	• Selection, Operation and Maintenance of Hand Pumps
10	Thursday	15.03.2018	• Selection, Operation and Maintenance of Agricultural Machinery for Dry-land Agriculture
11	Friday	16.03.2018	• Package of Agricultural Machinery for Oil Seeds and Pulses Crops
12	Saturday	17.03.2018	• Information Technology application in farm mechanization

About the Institute

Kakinada Institute of Technology and Science was established in 2008 at Tirupathi Village, Divili, East Godavari District under the aegis of "Srinivasa Educational Society" Rajahmundry. It is popularly known with its acronym KITS, Divili. The Tirupathi Village is having 1500 yrs Old Temple "Lord Venkateswara" which a famous one. K.I.T.S is located at Divili on the Samalkota to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes M.Tech (Structural Engg), M.Tech (Thermal Engg), M. Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded Systems&VLSI Design), MBA, M.Pharm. The institute is also offers Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

The Department of Agriculture Engineering was established in 2013 and is offering B.TECH course in Agriculture Engineering. The department has qualified and experienced staff and well-equipped laboratories with the state-of-the-art facilities. The UG B. TECH Programme of the department got accredited for three years in 2012, 2016, and in 2019, 2022. The department was recognized as Research Centre by JNTUK, Kakinada. Students of the department have added value to the department by getting placed in reputed core and Agriculture companies and by excelling in competitive examinations.

Organising Secretary:

Ms. B.Latha

CIRCULAR

All II/IV and III/IV ECE Students are here by informed that Department of Electronics and Communications Engineering is conducting a Two Weeks Certificate Program on “**Introduction to Arduino**” Dr. D V Raja Rao, Professor, is the Resource person. The program will be held from 12.11.2018 to 23.11.2018. All the interested students are instructed to register their names in the Department office on or before 09.11.2018. All the registered students must attend the certificate program without fail on the above mentioned dates.

Venue: Seminar Hall-2, 3rd floor

Circulated to: All HoD's

About the Institute

Kakinada Institute of Technology and Science was established in 2008 at Tirupathi Village, Divili, East Godavari District under the aegis of "Srinivasa Educational Society" Rajahmundry. It is popularly known with its acronym KITS, Divili. The Tirupathi Village is having 1500 yrs Old Temple "Lord Venkateswara" which a famous one. K.I.T.S is located at Divili on the Samalkota to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes M.Tech (Structural Engg), M.Tech (Thermal Engg), M. Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded Systems&VLSI Design), MBA, M.Pharm. The institute is also offers Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

The Department Electronics and communications engineering deals with the transmission of information across a medium such as a co-axial cable, an optical fiber or free space. Transmissions across free space require information to be encoded in a carrier wave in order to be transmitted, this is known as modulation. Popular analog modulation techniques include amplitude modulation and frequency modulation.

Once the transmission characteristics of a system are determined, telecommunication engineers design the transmitters and receivers needed for such systems. These two are sometimes combined to form a two-way communication device known as a transceiver. A key consideration in the design of transmitters is their power consumption as this is closely related to their signal strength. If the signal strength of a transmitter is insufficient the signal's information will be corrupted by noise.

Organising Secretary:

Mr. N. Praveen
DEPT OF ECE

Topics covered

- Digital and Digital Input & Digital Output
- LCD Display
- DC Motor Control
- TV Remote
- Stepper Motor Control
- Bluetooth & Wi-Fi
- Maintenance of engines and cooling systems
- Steps of troubleshooting equipment during repairs
- Selection, Operation and Maintenance of Hand

Date: 27.11.2018

PROGRAM REPORT

Name of the Program :Two Weeks Certificate Program on “Introduction to Arduino”

Date / Duration : 12.11.2018 to 23.11.2018 (72 Hours)

Resource Person :Dr. D V Raja Rao, Professor

Name of Coordinator:Mr. N. Praveen, ECE Department, KITS,Divili

Number of Participants:159

Program Objectives :The objectives of this program are

- To impart information on various Smart System applications.
- To introduce students to the IDE, programming language, and platform of Arduino.
- To impart knowledge of Arduino boards and fundamental parts.

Topics Covered :The following topics were discussed in this certificate program

- Digital and Digital Input & Digital Output
- LCD Display
- DC Motor Control
- TV Remote
- Stepper Motor Control
- Bluetooth & Wi-Fi

Program Outcome :The workshop is intended to facilitate the students to acquire Knowledge and information onArduino environment and its applications and design applications for smart systems.. This program will help the students to into the Modern Technologies.

CIRCULAR

All II/IV and III/IV CE Students are here by informed that Department of Civil Engineering is conducting a Two Weeks Certificate Program on “Advanced Survey Technology using TOTAL STATION” Dr. D. Venkateswarulu Prof.& HoD, CE, GIET Engineering College Rajanagaram, is the Resource person. The program will be held from 01.10.2018 to 15.10.2018. All the interested students are instructed to register their names in the Department office on or before 27.09.2018

All the registered students must attend the certificate program without fail on the above mentioned dates.

Venue: Seminar Hall-1, 1st floor

About the Institute

Kakinada Institute of Technology and Science was established in 2008 at Tirupathi Village, Divili, East Godavari District under the aegis of "Srinivasa Educational Society" Rajahmundry. It is popularly known with its acronym KITS, Divili. The Tirupathi Village is having 1500 yrs Old Temple "Lord Venkateswara" which a famous one. K.I.T.S is located at Divili on the Samalkota to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes M.Tech (Structural Engg), M.Tech (Thermal Engg), M. Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded Systems&VLSI Design), MBA, M.Pharm. The institute is also offers Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

The Department of CIVIL ENGINEERING is offering an undergraduate course (B.Tech) in CIVIL ENGINEERING and one post graduate course (M.Tech) in STRUCTURAL ENGINEERING. The B.Tech program was started in 2008 with an intake of 60.. The CIVIL department has more than 20 qualified and experienced faculty members. The Department has organized several symposiums; guest lectures and Workshops .The Department faculty are conducting their research work in STRUCTURAL DYNAMICS, ADVANCED CONCRETE TECHNOLOGY and ENVIRONMENTAL areas. They are encouraged to attend international and National conferences and to present their research work. They usually publish their research work in reputed International and National journals. The department is also encouraging all the faculty members and students towards professional body memberships and activities. Our students are encouraged in R&D activities and they are used to publish their work in reputed journals and conferences. The Department also conducts special classes for competitive exams like GATE, GRE, and TOEFL. Some of the students are pursuing PG Programmes in prestigious Institutions like Universities, NIT'S, and IIT'S

Organising Secretary:

Ms. G. Bhuvana
DEPT OF CE

Topics covered

- Total Station instruments
 - Basic operation Total Station Instruments
 - Missing line, area estimation
 - Compound and reverse curves
 - Data transformation
 - Graphing software Programming
- Pumps, improved harvesting and threshing machines

PROGRAM REPORT

Name of the Program : Two Weeks Certificate Program on “Advanced Survey Technology using TOTAL STATION”

Date / Duration : 01.10.2018 to 15.10.2018 (72 Hours)

Resource Person : Dr. D.Venkateswarulu, Prof.&HoD, CE, GIET Engineering College
Rajanagaram

Name of Coordinator: Ms. G.Bhuvana, CE Department, KITS, Divili

Number of Participants: 158

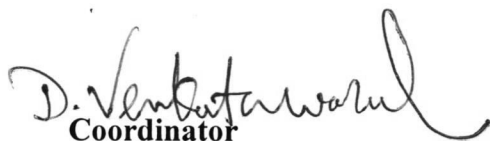

Program Objectives : The objectives of this program are

- The implementation of Total Station technology for project layout and construction is covered in this course.
- The skills and applications required in the discipline of surveying are provided through a combination of classroom education and practical training using a total station.

Topics Covered : The following topics were discussed in this certificate program

- Total Station instruments
- Basic operation Total Station Instruments
- Missing line, area estimation
- Compound and reverse curves
- Data transformation
- Graphing software Programming

Program Outcome : The workshop is intended to facilitate the students to acquire Knowledge and information on total station instrument, measurements and graphing software. This program will help the students to enter into the Modern Technologies.

CIRCULAR

All II/IV and III/IV ME Students are here by informed that Department of Mechanical Engineering is conducting a Two Weeks Certificate Program on “**Metal Fabrication and Joining Technologies for Metals**” Dr. T Dharma Raju, PROF., CIST, KAKINADA, is the Resource person. The program will be held from 07.05.2018 to 19.05.2018. All the interested students are instructed to register their names in the Department office on or before 03.05.2018

All the registered students must attend the certificate program without fail on the above mentioned dates.

Venue: Seminar Hall-2, 3rd floor

PRINCIPAL

Kakinada Institute of Technology and Science

About the Institute

Kakinada Institute of Technology and Science was established in 2008 at Tirupathi Village, Divili, East Godavari District under the aegis of "Srinivasa Educational Society" Rajahmundry. It is popularly known with its acronym KITS, Divili. The Tirupathi Village is having 1500 yrs Old Temple "Lord Venkateswara" which a famous one. K.I.T.S is located at Divili on the Samalkota to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes M.Tech (Structural Engg), M.Tech (Thermal Engg), M. Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded Systems&VLSI Design), MBA, M.Pharm. The institute is also offers Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

Managing moving machines of the world! It is this catchy phrase that has made Mechanical Engineering the thriving branch for being an integral part in shaping our world run on machines. The Mechanical Engineering department at Kakinada institute of technology and science has earned a place of high repute through its quality teaching rendered by highly qualified and experienced faculty with umpteen number of research publications in reputed journals like ASME, ELSEVIER etc. and rigorous practical training creating an ambience of excitement in all the stages of study. The department lays impetus on hands-on training with the support of simulation packages such as CATIA, ANSYS, I-DEAS, PRO-E, UNIGRAPHICS and SOLID WORKS.

PROGRAM REPORT

Name of the Program :Two Weeks Certificate Program on “Metal Fabrication and Joining Technologies for Metals”

Date / Duration : 07.05.2018 to 19.05.2018 (72 Hours)

Resource Person :Dr. T. Dharma Raju, PROF., CIST, KAKINADA

Name of Coordinator:Mr. Y.Dhana sekhar , ME Department, KITS,Divili

Number of Participants:176

Program Objectives :The objectives of this program are

- to impart knowledge and abilities to students in fields related to joint technology and technical metal fabrication.

Topics Covered :The following topics were discussed in this certificate program

- Introduction to Metal Fabrication
- Emergency procedures
- Various Fabricating Techniques

Program Outcome :The workshop is intended to facilitate the students to acquire Knowledge and information on metal manufacturing and techniques. This program will help the students to into the Modern Technologies.

(Mr. B. Ramesh)
HoD

Objective of the Programme:-

To become familiar with the main features of the MATLAB integrated design environment and its user interfaces

To Collect MATLAB commands into scripts for ease of reproduction and experimentation.

To understand the appropriate use of MATLAB syntax to distinguish between these applications

To extract and analyze subsets of data that satisfy given criteria.

About the Institute

Kakinada Institute of Technology and Science was established in 2008 at Tirupathi Village, Divili, East Godavari District under the aegis of "Srinivasa Educational Society" Rajahmundry. It is popularly known with its acronym KITS, Divili. The Tirupathi Village is having 1500 yrs Old Temple "Lord Venkateswara" which a famous one. K.I.T.S is located at Divili on the Samalkota to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes M.Tech (Structural Engg), M.Tech (Thermal Engg), M.Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded systems&VLSI Design), MBA, M.Pharm. The institute is also offers Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

The Department of Electrical and Electronics Engineering is offering an undergraduate course (B.Tech) in Electrical and Electronics Engineering and one post graduate course (M.Tech) in Power Electronics. The B.Tech program was started in 2008 with an intake of 60 later was enhanced to 120 in 2010. The M.Tech program in Power Electronics has started in 2012 with an intake of 18 students. The EEE department has more than 20 qualified and experienced faculty members. The Department has organized several symposiums, guest lectures and Workshops. The Department faculty are conducting their research work in Power Systems, Power Electronics, Electrical machines areas. They are encouraged to attend international and National conferences and to present their research work. They usually publish their research work in reputed International and National journals. The department is also encouraging all the faculty members and students towards professional body memberships and activities. The EEE Department promotes the student activities through its IEEE, and IETE student branches apart from regular academics. Our students are encouraged in R&D activities and they are used to publish their work in reputed journals and conferences. The Department also conducts special classes for competitive exams like GATE, GRE, TOEFL. Some of the students are pursuing PG Programmes in prestigious Institutions like Universities, NIT'S, IIT'S

About the Department

Managing moving machines of the world! It is this catchy phrase that has made Mechanical Engineering the thriving branch for being an integral part in shaping our world run on machines. The Mechanical Engineering department at Kakinada institute of technology and science has earned a place of high repute through its quality teaching rendered by highly qualified and experienced faculty with umpteen number of research publications in reputed journals like ASME, ELSEVIER etc. and rigorous practical training creating an ambience of excitement in all the stages of study. The department lays impetus on hands-on training with the support of simulation packages such as CATIA, ANSYS, I-DEAS, PRO-E, UNIGRAPHICS and SOLID WORKS.

About the Institute

Kakinada Institute of Technology and Science was established in 2008 at Tirupathi Village, Divili, East Godavari District under the aegis of "Srinivasa Educational Society" Rajahmundry. It is popularly known with its acronym KITS, Divili. The Tirupathi Village is having 1500 yrs Old Temple "Lord Venkateswara" which is famous one. K.I.T.S is located at Divili on the Samalkota to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes M.Tech (Structural Engg), M.Tech (Thermal Engg), M.Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded Systems&VLSI Design), MBA, M.Pharm. The Institute is also offers Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

The Department of Computer Science & Engineering was established in the year 2008.. It has qualified and experienced faculties to impart quality education and enhance the knowledge of student community. The Department has good laboratory facilities and aims at maintaining a high standard of educational excellence. Our students have received acclaim in various competitions conducted by leading Institutions and Universities across India and recently participated in HACKATHON contest conducted by Govt. of India.

About the Institute

Kakinada Institute of Technology and Science was established in 2008 at Tirupathi Village, Divili, East Godavari District under the aegis of 'Srinivasa Educational Society' Rajahmundry. It is popularly known with its acronym KITS, Divili. The Tirupathi Village is having 1500 yrs Old Temple "Lord Venkateswara" which is famous one. K.I.T.S is located at Divili on the Samalkota to Prathipadu road. It offers Six UG (B.Tech) Programmes in Agricultural Engineering, Civil Engineering, Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, different PG Programmes (M.Tech Structural Engg), M.Tech (Thermal Engg), M.Tech (CAD/CAM), M.Tech(CSE), M.Tech (Power Electronics), M.Tech(Embedded systems&VLSI Design), MBA, M.Pharm. The institute is also offers Three Diploma Programmes in Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering.

About the Department

The Department Electronics and communications engineering deals with the transmission of information across a medium such as a co-axial cable, an optical fiber or free space. Transmissions across free space require information to be encoded in a carrier wave in order to be transmitted, this is known as modulation. Popular analog modulation techniques include amplitude modulation and frequency modulation.

Once the transmission characteristics of a system are determined, telecommunication engineers design the transmitters and receivers needed for such systems. These two are sometimes combined to form a two-way communication device known as a transceiver. A key consideration in the design of transmitters is their power consumption as this is closely related to their signal strength. If the signal strength of a transmitter is insufficient the signal's information will be corrupted by noise.
