6.1.1: The institutional governance and leadership are in accordance with the vision and mission of the Institution and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, decentralization, participation in the institutional governance and in their short term and long term Institutional Perspective Plan.

KITS has a well-defined Vision and Mission that addresses the needs of all its stakeholders. The Management and the College is committed to impart quality and value-based education and intends to produce quality professionals by inculcating human values, ethics and compassion through quality education.

Vision: World class quality technical education with strong ethical values and carving effective and competent source of technical manpower for the current and future societal requirements.

Mission: To protect consumers, promote agriculture both locally and globally and assist the farmers using education, technology and professional workforce by training the students in that direction.

The Governance of the institution accords strictly with the Vision and Mission. Intending for better governance and performance, the system is effectively decentralized. The Governing body includes the Chairman of the institution, the Vice Chairman, Member and the Principal which takes the major decisions that have a bearing on the function and the goal of the college.

Participative management is promoted consistently by the institution. Committees are framed for the implementation of all its decisions and resolutions, comprising faculty members and students. The HoDs also make decisions in directing the implementation of the action plan in the department. The department faculty members coordinate in the implementation of the strategies of the department. Therefore, all levels of the participative management is followed.

Institution maintains a trend of decentralized governance system which is contributed at various levels in the institute. Management play an important role in the administration of the college running smoothly. The Principal conducts meetings with HoDs and takes proper suggestions and final decisions will be implemented. HoDs involve in organizing seminars, workshops, distributing workload, assigning faculty as lab in charges, etc. HoDs will take feedback from students and encourages staff by self-appraisal which helps them to improve their performance. Faculty are encouraged to develop their leadership qualities by allocating them as in charges of various academics, co-curricular, and extracurricular activities. Students with best academic performance are selected as class representatives and are encouraged actively to participate in different types of activities. The committees includes Anti-ragging Committee, Grievance and Redressal cell, NSS Committee etc.

Institutional Strategic Plan

The major emphasis of the strategic plan is to develop the quality of education and to achieve calibrated improvement in the quality of education as the institute imparts in line with the Vision and Mission of the institute. The strategy is developed, by laying emphasis on building core strengths i.e., excellent infrastructure, talented students and faculty and a deeply committed management to meet the challenges thrown by the emerging opportunities. KITS has identified the following goals:

- Take timely decisions in providing financial, academic and Physical facilities.
-
- Transparency and accountability in decision-making
- To ensure effective utilization and maintenance of infrastructure.
- To revise, add and make changes to the academic programme of the Institute whenever and wherever needed.
- Improving standards and attain accreditation status.
- Introducing modern teaching aids and implementing innovative methodologies
- Improve the placements to students by inculcating soft skills and advanced technology training to the students in line with industrial network.
