6.2.1: The institutional perspective plan is effectively deployed and functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment, service rules, and procedures, etc

Institutional Strategic Plan

KITS aims at transforming students into intellectual leaders through holistic education. making them socially responsive members in a changing technology driven world.

Strategic plan critically examines the grooming of students and face the challenges to have a rewarding future.The major emphasis of the strategic plan is to develop the quality of education and to achieve calibrated improvement in the quality of education as the institute imparts in line with the Vision and Mission of the institute. The strategy is developed, by laying emphasis on building core strengths i.e., excellent infrastructure, talented students and faculty and a deeply committed management to meet the challenges thrown by the emerging opportunities. KITS has identified the following goals:

- Take timely decisions in providing financial, academic and Physical facilities.
- Transparency and accountability in decision-making
- To ensure effective utilization and maintenance of infrastructure.
- To revise, add and make changes to the academic programme of the Institute whenever and wherever needed.
- Improving standards and attain accreditation status.
- Introducing modern teaching aids and implementing innovative methodologies
- Improve the placements to students by inculcating soft skills and advanced technology training to the students in line with industrial network.

To achieve the above Strategic Plans/Perspective Plan, the following actions have been initiated

1. Innovative teaching-learning have been introduced.
2. Library Automation.
3. Increased the speed of Internet, providing hostel facility to girls, sports and gym facility.
4. Faculties were encouraged to register for guideships and Ph.Ds.
